Organizational Co-sponsorship for Educational Programs

Our primary request from co-sponsors is promotional support. Using whatever the usual tactics are for your organization, you will make sure that your staff/constituents/service users/members have the opportunity to learn about the event be that through social media, front porch forum posts, email list serves, on your website, hanging fliers, or other tactics.

For this promotional support, you receive two free registrations in the program and will be listed as cosponsors on our promotional material.

If you can do the above promotion and can also contribute financially, provide space, or other in-kind support, you will receive additional spots in the program. This number will be determined on a case-by-case basis depending on the total cost of the program, the size of the organization that is co-sponsoring, and the number of co-sponsors.

We will always reserve at least 10 spots for the public.

If the program develops a waiting list for participation and you have not filled your designated spots, we will contact you in advance to remind you that people need to register. If they have not registered by seven days before the program, the spots will be forfeited.

For more information, please contact Kina Thorpe, Educational Programming Manager, program@pjcv.org or 802-863-2345 X9.
